said that as of this storm his budget was  
sufficient for the emergency work but the  
balance of the winter would tell the story  
on whether or not the snow removal funds  
would be enough.

#### AMBULANCE BUDGET

Selectmen discussed the ambulance bud-  
get with Police Chief Duane Tuttle. He  
broke down the ambulance runs for Novem-  
ber, December and January as a total of 84  
runs of which 30 were of a non-emergency  
nature. Chief Tuttle estimated that a  
yearly average of 100 emergency ambu-  
lance runs could be expected if the Pontiac  
ambulance is kept for transfer work. The  
Chief estimated an average cost of \$11.  
per transfer could be expected by the town  
as compared to a \$60. per run cost to the  
individual using private ambulance ser-  
vice. Tuttle estimated an annual cost of  
\$1,100.00.

The Selectmen and Chief also discussed  
a possible purchase of base station and  
portable radio for direct contact between  
EMT's on the scene and a doctor at a hos-  
pital radio. This would allow evaluation  
of the patient before and during transfer  
to the hospital. An article will be placed in  
the warrant for this purpose.

On Wednesday, March 8th, we are scheduling another Minibus trip for the matinee performance of American Buffalo by the Trinity Square Repertory Company in Providence. ## 4-H Club

MATTAPOISETT 4-H NEWS by Kim Night

Our 4-H has been very busy this winter. A successful judging tour was held December 4th at Knight's Farm in Plymouth County. The tour was judged by Mavis Merrill, and over one hundred 4-Her's attended. We wish to thank the participants who brought horses that day!

A County Award Night was held the following Saturday, December 10th, in Middleboro, Mass. We wish to congratulate all those who received awards that night, especially Kate Bauer who won a County Medal. Mabel Owen was the featured speaker and showed slides on judging horses.

Our annual Christmas Party was held at the Linhares' house on December 13. The members exchanged gifts and the leaders were

given presents by the club.

We are planning a bake sale at the A & P in Mattapoisett on February 11th. The proceeds will go toward our Annual Field Day this spring. We have our second Judging Tour planned for February. We will be judging Appaloosas at Diamond Acres in Lakeville. Our club is busy getting ready for Demonstrations in March and also the County Horse Bowl.

## Yoga Course, Marion

### FIVE-WEEK COURSE ON YOGA

A five-week course on "The Development of Inner Structure from a Yogic Point of View" is being offered at the Marion Center for Human Services from 10 to 11 A.M. beginning February 27 at the Center's headquarters, 335 Wareham Road, Marion.

Marcia Mellor of Onset, who will be instructing the course, notes that Yoga is a philosophy based on the "unifying of self". She added that there are many pathways to discovering one's "inner realities".

"Initial awareness of the body and its function allows for the development of a self control system," Ms. Mellor observed. "These controls create a foundation of personal inner security," she added, "and from this place of primary understanding, one can explore with greater freedom one's psyche."

"It's really fun, isn't it?" "Everyone loves it because it's fun." That's what the gals say to me at Gloria Stevens Figure Salon.

I'm the manager so I love to hear these comments. This is what we try to do. First, we are professionals and we work hard at trying to have you reach your weight goal through our MED Method - Motivation, Exercise and Diet.

And second we try to make it really fun for you, so you look forward to coming to the salon three or four times a week.

And are we successful?

There were

## Letter to the Editor

Undoubtedly you've heard many stories about others' experiences during the recent storm but mine proved to be such a pleasant one, I'd like to share it.

While attempting to shovel out a footpath through the drifts to the street a car with two teenage daughters stopped, saying they would like to be of help. Their father, after pushing aside debris in the garage, unearthed two more shovels, and all three set to work, not to complete my footpath only but the entire driveway so that I was enabled to take out the car easily.

To publicly express my appreciation of their thoughtfulness seems the best way I could thank Mr. David Ripple and his daughters for their generosity - especially as previous to this we were strangers.

## DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

## Cub Scout Pack 53

### BLUE AND GOLD BANQUET

The Blue and Gold Banquet which was postponed last week has been rescheduled for Thursday, February 16th, at 6 P.M. at St. Anthony's Church Hall. Please remember to bring your plates and cutlery. We'll see you there for a fun evening as we celebrate the 48th birthday of Cub Scouting.

### PINEWOOD DERBY

Soon all over Mattapoissett will be heard the sounds of hammering and sawing as the Cub Scouts prepare for another Pinewood Derby. This is an annual Cub Scout event in which boys construct model cars and race them in competition. All cars must conform to official Scout regulations. The cardinal rule of this competition is that each boy must build his own car, while Dad advises only!

The kits (at small cost) and the official rules will be passed out by the den leaders.

Our tentative dates for the Derby are as follows: Tryouts - Mattapoissett Congregational Church Hall Sunday, March 5, from 1 to 5 P.M. The cars may weigh no more than five ounces. Please be prepared to pare

Club will also hold a .22 caliber rifle and pistol shoot, along with their normal shotgun event. Because of its popularity, a pheasant shoot will also be held.

Once again, the Club will have a Junior .410 gauge shotgun event. Participants for these shoots must be under 16 years of age. Women are also invited to participate in all shoots. If there is enough participation, the Club plans to hold "Women Only" shoots.

The clubhouse will be open and refreshments will be available. Those interested in becoming a member may obtain applications from the clubhouse.

## "Have a Rotten Day"

Editorial, D.C.J.

"Have a nice day" is as familiar as hello in contemporary conversation. I wonder why. Can you name a nice day in 1938 - one that you recall vividly hour by hour. Remember a nice day in 1941 in such detail that a single minute is engraved in your brain cells? Can you recall a certain nice day last month in any clear detail? It's not likely. The real stinkers are memorable. Days when events or nature

rage out of control are the ones that we can  
 bring back to relive in detail. Days when danger  
 is a companion, when stress forces an extra-  
 ordinary effort, when great obstacles are sur-  
 mounted - these are the stuff of living history.  
 Everyone has a personal story of the storm of  
 February 6, 1978 and many are hair raising.  
 The blizzard of the century will be recalled in  
 detail for years to come. No one will ever re-  
 call it as a "nice day". Strange that tremen-  
 dous effort and funds are expended to remove  
 all stress from the lives of people when stress  
 is the spice of life; that period of time when  
 you walk and cross the line of peril and win.  
 Those are the moments that exhilarate when the  
 sun warms your back. We had our individual  
 struggles with the great blizzard and on our  
 coast thankfully were spared the destruction  
 of homes that has been our lot in the past.  
 It was a thoroughly rotten day. A day to re-  
 member a decade from today.
